

Kingdom of An Tir Financial Policy

I. INTRODUCTION

The following Kingdom Financial Policy serves as an addendum and is subject to the requirements set forth by the Society For Creative Anachronism, Inc. Financial Policy, Corpora and By Laws. An Tir's Financial Policy should be revised whenever changes in Modern Law, the SCA's governing documents and Policies, the needs of the Kingdom, or agreement between Council of the Exchequer and the Society Exchequer so require.

II. FINANCIAL COMMITTEE

The Council of the Exchequer is the Kingdom level Financial Committee and consists of The Crown, the Crown Prince and Princess when invited by the Crown, the Kingdom Seneschal and the Kingdom Exchequer. The members of the Council of the Exchequer jointly bear the fiduciary responsibilities of managing the Kingdom's assets.

1. All decisions and approvals made by the Council of the Exchequer are to be made by consensus. If this fails, the decision will be revisited at a later date. If this also fails, the decision will be referred to the Society Exchequer. Consensus is achieved when all the members of the Council agree that consensus has been achieved regardless of the outcome of the decision being made.
2. If a member is unable to attend a Crown Event, a representative, acceptable to the other members of the Council of the Exchequer, shall be designated with the authority to make decisions in the member's absence.
3. Annual budgets established for the Kingdom including the Crown and Kingdom Officers, special purpose funds, additional policies as needed, and any changes to these budgets, funds or policies shall be approved by the Council of the Exchequer. Copies of these shall be provided to the Society Exchequer.
4. The Council of the Exchequer must approve expenditures exceeding the limits of the budget. Any funds remaining at the end of the year will be directed back to the General Fund, unless specifically stated otherwise in the preceding budget, or by the action of the council of the Exchequer.

III. BANK ACCOUNTS

Each *new* account in An Tir will be a double-signature checking account, with at least two officers of the same branch or entity listed as signatories as well as the Kingdom Exchequer or designated representative.

1. Two authorized signatures will be required on any check, money order, or other instrument of withdrawal, whether or not the bank offers signature inspection.
2. Separate Savings accounts, certificates of deposit or any other long-term financial instrument must be approved and registered with the Kingdom Exchequer on a case-by-case basis. This does not apply to savings accounts linked to the Branch checking account.
3. Incipient Branches or entities are not allowed to maintain their own bank accounts.
4. Kingdom and Principality newsletters may also maintain separate bank accounts, however all other entities (newsletters, guilds, associations, etc.) must receive approval from the Council of the Kingdom Exchequer prior to establishing accounts.

IV. Reports

Financial reports will consist of the "Balance Sheet" and "Income Statement" and the supporting worksheets and documentation contained and required by the most recent edition of the *Society for Creative Anachronism, Inc., Chancellor of the Exchequer's Handbook*. Quarterly reports may be year to date and/or limited to the prior quarter at the discretion of the Exchequer's superior.

1. For Kingdom officers and Royalty, all expenditures and reimbursements are to be made from Kingdom accounts or accounts held specifically by those offices.

VII. REGALIA

Regalia are loaned to the current Royalty for the duration of each Reign. In order to manage Regalia responsibly, Regalia must be inventoried and checked out from the Kingdom or Principality Chamberlain at the beginning of each Reign. The inventory and checkout process assures that there is a record of the Regalia and its condition recorded, since the users may be required to replace Regalia lost or damaged during their Reign.

1. A completed inventory sheet and a checkout list of the Regalia being used by the current Royalty is to be signed by the Royalty and a copy sent to the Royal Chamberlain and Kingdom Exchequer before Royal expenses can be reimbursed.
