## A Message from the Coronets

Greetings Tir Righ from the Storm Thrones

Renee and I hope this missive finds you in good health and enjoying the start of the Holiday season. Our progress is quite full and we look forward to the many good times and making many new friends during our reign.

First - Congratulations to Viscount Sir Ieuan Gower and Viscountess Gwyneth Gower, Tanist and Ban Tanist of Tir Righ. A well-fought final between Viscount Ieuan and Our Champion Kniaz Kheron Azov will be added to the tales told of Tir Righ.

One of the greatest honors of sitting the Storm Throne is acknowledging gifted and generous members of Our Principality. This privilege is made possible by recommendations from you, the populace. Our eyes are open but We can only see so much. So please, if you know of someone who is deserving of any recognition please send Us a recommendation. Then We can let these gentles know that their Principality is thankful for their skills and service.

I would like to thank all of the gentles that have contributed to the travel funds. Donations of both gold and auction items have allowed Us to travel throughout the Principality. Recently a new travel fund called The Storm Fund was created, which will allow Us and those who rule after to travel out of Our wonderful Kingdom to other lands and show them just how great it is to live in Tir Righ. During Our reign I have asked that the gold received from the auctions be divided 60/40 to help the Storm Fund grow.

That is all for now. Again We are thankful for the honor of serving you as Prince and Princess.

*Ulfgar & Renee*

Urslmas is the largest indoor fighting event! But as we all know, there is more to the SCA than sword and board! The autocrat team of Ursulmas is gathering a number of other artisans, craftsmen (and women), musicians, dancers, jugglers, and more to show our skills and demonstrate our arts!

As Arts & Sciences Minister for the Barony of Aquaterra, I am once again reaching out to ask our skilled people to demonstrate at the event. We have one-hour slots to fill (yes, you may have more than one hour if you would like), and I would like to see works in progress as well as finished pieces.

I am looking for some of the following:

Woodworkers - carving, building, shaping  
Chain/Mail makers - shirts, coifs, 4 to 1, 6 to 1  
Spinning - bring your wheel, cards, and drop spindles

Calligraphers - in any medium  
And more! If you have an art or craft that you can demonstrate to the public, we would like to hear from you!

# CALLING ALL SCRIBES: A CONTEST OF SKILL

*TO ALL THE GREAT SCRIBES OF TIR RIGH,  
HARKEN TO THE WORDS OF THE NORTHERN  
SENTINEL AND GAIN WORD FAME (and maybe a  
prize too?)*

As you can see, our glorious Northern Sentinel is undergoing a change. But, in it's transformation a conundrum has perplexed our Editor. How do you get a lovely, illuminated border, made by an artisan of Tir Righ's hand, and display it in all its glory in the newsletter? The answer is....Hold a Contest!

## Requirements:

Create an original illuminated border for our newsletter. Documentation to support the style of your design will be considered. The color scheme of your illumination should reflect the blue and white of the Tir Righ device, but does not preclude the full range of heraldic colors should you wish to use them.

There will be Four Categories:

- Winter Theme
- Spring Theme
- Summer Theme
- Autumn Theme

Artists may offer any one Category, or all four. Each piece will be considered individually, within its category. Winning one category does not automatically mean pieces you submitted in other Artists may offer any one Category, or all four. Each piece will be considered individually, within its category. Winning one category does not automatically mean pieces you submitted in other categories will win.

Designs must be 8.5 x 11, with a minimum of 0.25" whitespace at the edges, and not more than 1" in total width of the bands.

Ex.1 - a four-sided design may have a 0.25" white space, 0.5" design, 7" copy space, 0.5" design, 0.25" white space across the page.

Ex. 2 – a top and side border design might have a 0.25" white space, 1" design, 7.25" copy space across the page.

The submission of the design must be in either jpg or gif file format, so that when maximized to match the page size, the design does not lose its definition.

The border will be judged for documentation, presentation, adherence to the category it is submitted to, printability and overall esthetics.

One design will be chosen for each category.

Winner will be announced in the January 2010 issue. Documentation will also be published at that time.

Submissions must be in by 30 November 2009  
Submissions to be sent to [chronicler@tirrigh.org](mailto:chronicler@tirrigh.org) with the Subject Line: Northern Sentinel Design Contest – <category> Please include your Modern and SCA names, Branch, email, phone number and best time to contact in the covering email. Please also include your permission to the Northern Sentinel to publish the documentation and design as required.

Ownership of the designs will automatically be transferred to the Northern Sentinel at the time of submission.

Chronicler  
Principality of Tir Righ*
