MIDSUMMER IN APPLEDORE

May 28, 2010 to May 30, 2010

Appledore Okanagan Valley, BC

Autocrat - Sayyid Hakim the Spoonstealer
Co Autocrat - HL Keinna de Savage
Judging Coordinator - HL Sevrin de Savage
Championship Coordinator - Appledore Champion Johannes Arbalaster

HAVE YOU EVER WANTED TO BE A CHAMPION?

The good shire of Appledore invites one and all to challenge or witness Appledore's Championship. Appledore is unique in that contenders for Champion compete in Archery, Armoured combat, Arts, Bardic, Rapier combat, and Sciences and accumulate points. Thus our Champion is a well-rounded representative of our shire and our society. *This year we challenge the good Ladies of Tir Righ to compete!*

THE JOURNEY is the theme for this year's Championship:

Archery	Take a stage to feed your caravan
Armoured	Repel the Brigands!
Arts	Create a trade good, pilgrim's badge, or other item you would collect or trade on your journey
Bardic	Tell a story or sing a song you've learned on your journey
Rapier	Defend your party against robbers!
Science	Create a device to measure time

"Period-ness" and documentation will gain you more points.

Those wishing to compete for the Championship will be required to declare their intention to our current Champion Johannes Arbalaster Friday evening or Saturday morning. Anyone may compete in any or all of the categories, but only those who have declared for the Championship will accumulate Championship points.

SCHOLARS OF ST THOMAS AQUINAS is a companion persona challenge to the Tournament of the Golden Swan. More information can be found on the Scholars pages. Though we have had no candidates apply for the challenge this year, we do have two candidates who wish to make a "dry-run", we will be holding persona sessions and contests so these future candidates can gauge their performance and seek feedback from the Judges who will be present. Each category of the challenge is open to all who wish to enter.

THE TAVERN is open at all times, but on Saturday night we will be hosting a **Pot Luck Feast** - Bring a dish large enough to feed your party plus six more, and B.Y.O.Beverage of choice (*discretely wet site*). Bardic will take place during our repast. The shire will supply a roast Guinea Fowl.

THE SITE has lots of wide open camping areas; potable water; large central fire pit; above ground braziers also permitted (*but dependant on Forestry fire alerts*); flush toilets & showers; covered grandstands for tournament viewing; fridges, a freezer, and a microwave for your convenience; 10 minutes from downtown Summerland where you will find full amenities.

LIONS GATE TOURNAMENT OF ARMIES Lions Gate Vancouver, BC

July 30, 2010 to August 02, 2010

Autocrat: Callen Drakkar

Who will win the right to be called Warlord of Lions Gate?

The Barony of Lions Gate invites all disciplines - Heavy, Rapier, Archery, Arts and Science, Heraldry and Bardic, to *A TOURNAMENT OF ARMIES*, from July 30th through August 2nd.

If you want to be named Warlord of Lions Gate, *you* must build your own army to enter the tournament. Be mindful that your army must be able to withstand attacks on all fronts: classic battles on the warfield as well as battles of wits and skill. Who will flock to your banner to support you? Or who will inspire you to support their quest for the title? Sharpen your swords and your wits and be ready to display your prowess and declaim your glory before all!

On Saturday, after a fierce and colourful display of prowess by each army in Court, all armies shall prepare to engage in a wide variety of combat scenarios on fields of forest, open plain, bog, obstacle, ravine and much more. Battle will rage on until there are only four armies left on the field. On Sunday, the four remaining armies will continue in battles most glorious until there remain only two armies on the field. But only one can be victorious.

While the combat units wage war on the field, the artisan units shall engage in battle in their own arena. Each shall seek to cow all others with a display of bardic, heraldic, scribal or other Arts & Sciences to be judged on craftsmanship, authenticity and elegance. Many of these battles can be prepared for well in advance of the Tournament and details will be available soon.

How does a prospective Warlord BUILD their ARMY? Armies will be built using the following formula:

Armoured: Armies will be made of no more than 12 points

Knights: 3 points each

Defenders, Champions and Combat Archers: 2 points each

All other combatants: 1 point each

Target Archery: Armies will be made of no more than 4 points

Grey Goose Shaft, Branch Champions, Defenders: 2 Points each

All other archers: 1 point each

Arts and Sciences: Armies will be made of no more than 3 points

Laurel: 2 points each

Branch Champion or Defender: 1 point each

All other Divisors: free!

Note that this is not meant to imply A&S is somehow worth less – rather it is meant as a tool for Warlords to use large numbers of people in their A&S presentation, if desired.

Rapier: Armies will be made of no more than 4 points

Order of the White Scarf, Branch Champions and Defenders: 2 points each

All other rapier fighters: 1 point each

NOTE: Provisions will be made for unaligned fighters. If you don't have an army by Saturday Morning you will still get to play.

Each person needs only be paid for once. Their cost is their highest value. A Knight who is also a Laurel costs 3 points.

The goal is to have as well represented army as possible. There will be scenarios and points to be won in Target Archery, Arts and Science and Rapier that will count towards ultimate victory.

It is possible for persons to be involved in more than one discipline – Arts and Science specifically comes to mind here. The rules of engagement to win the title of Warlord, will be available on the Barony of Lions Gate website:

THE DIRTY DOZEN DONATION DERBY!

(affectionately known as D4)

Greetings craftsman, artisans and other creators of awesomeness from Aldgudana Gunnarsdottir

As you well know, Tir Righ is home to some of the most spectacularly talented artisans around!! The renown of our generosity is also well known. Now we need the opportunity to share knowledge of our greatness with the rest of the Known World so that the prowess of Tir Righ's

craftspeople can be worthily magnified!

To this end I propose a competition of sorts. I propose that we can serve our fair Principality of Tir Righ by supplying Their Highnesses, Prince Ieuan and Princess Gwyneth, with hand-crafted largesse to present.

This shall be a competition the likes of which has never been seen... a competition with a prize so epic that you should sit down before reading any further...

The rules are simple... so lets get to it...

--to enter the competition you must present a dozen hand crafted items based on a common theme...

--remember that these items will be gifted as largesse... so while a dozen scissor cases would qualify a dozen hand knit socks would only be 6 largesse items. A 12 foot long piece of hand woven trim would not be suitable as an entry since it would need to be cut into 12 pieces to be available on the theme of 12 items.

--items do not need to be identical, 6 embroidered needle books and 6 embroidered scissor cases could be one entry.

--this is NOT an A&S competition... so no documentation is required! If you wish to provide it that is completely up to you

--as these items are all meant to be given as gifts NO personal heraldry. Items in Tir Righ Blue and Silver are fine and make lovely reminders for another Kingdom's interaction with our far travelling members of the populace!

--please ensure that your name and branch as well as what the item is made of is listed and tagged on each item.

--also note that group entries are allowed and encouraged... what a great way to bond with your apprentice siblings or your guild members!!!

EASY PEASY ... Right?

and now.... the part that I'm sure everyone is looking forward to...

THE PRIZE!!!

The winner of D4 will win their pick of 1 item from each of the other contestants!!!!

The winner will be decided upon by populace choice... simply vote by placing a bean in a cup in the display area for each entry.

Now I'm sure you are asking... where is this to take place??

Their Excellencies of Lions Gate have not only graciously agreed to allow this to take place at Sea Lion War (June 4th to 6th in the Barony of Lions Gate) but His Excellency Baron Griffin has also said that there will be an additional War Point given to the Barony declared for by the winner.

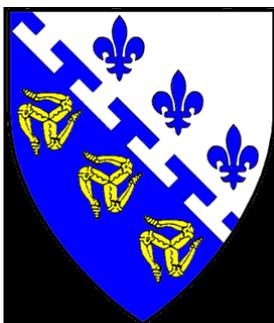

There will also be a Baronial Choice Award given to 2 competitors, one to be chosen by the Baron and Baroness of Lions Gate, Their Excellencies Griffin and Caitrin, and one to be chosen by the Baron and Baroness of Seagirt, Their Excellencies Ming and Elina. The prizes for these competitors will be their selection of one item from one of their fellow competitors!

Excited yet? Plotting your theme? Mentally running through your projects stashes? I hope so... because I know that I have Her Highness, Princess Gwyenth so excited that she was doing those exact things as I proposed the final details to her! That's right... our gracious and gentle Princess will be entering items into this competition as well...

For further information please contact me!

Ves Heill!!

POSTINGS FOR THE PRINCIPALITY

The following Officer's positions are open within the Principality of Tir Righ. Please note the closing dates and the contact information for each posting if you are interested and contact them directly:

MINISTER OF ARTS & SCIENCES, PRINCIPALITY OF TIR RIGH

Greeting from Mistress Katherine atte Mourehouse

My two years are over at June Coronet, would you like my job?

The A&S Minister is responsible for encouraging the research and development of historically accurate period art forms, technologies, and philosophies. They also need to organize the Tir Righ A&S Tournament, with the assistance of the current champion.

Reports must be gathered from the Tir Righ Branches and sent to the Kingdom Minister on a quarterly.

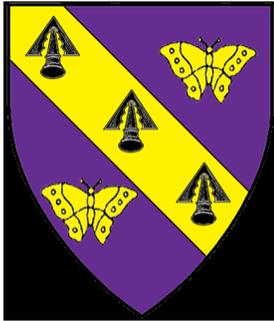

You don't need to even be the *best* artisan or craftsman, just enthusiastic and organized, although it rather helps if you know something about period A&S thingamies.

Applications should be sent to me, the Principality Seneschal and Our Prince and Princess.

Please submit your application before May Crown.

M. Kate
