Copies of this form, duly executed, should be in possession of the named minor; at least one adult named in this document and present at the event; and the parent or legal guardian executing the Medical Authorization.

The SCA **requires** minor participants (i.e. those having to have waivers) whose parents or legal guardians are not present at the event to have a valid Medical Authorization form. The SCA **recommends** use of the Medical Authorization for all minors whose parents or legal guardians are present.

Note: a photocopy or scanned printout of the parent or legal guardian's driver's license or comparable ID that has the parent's or legal guardian's signature displayed must be provided. Highly sensitive information such as a Social Security number may be blacked out, but the signature must be visible for comparison to the signature on this form. The photocopy of the ID and this form must be shown to Gate staff when entering an event, but it is not retained at Gate. Three copies of this form should be made: one stays with the parent or legal guardian, one stays with the adult indicated on this form who is responsible for the minor at the event, and one stays with the minor.
