

## **Tir Righ Curia - February 12, 2023**

Curia 12 February 2023

Call to order: 10:20 am

**Words from Their Highnesses:** Hi! Welcome! Thank you for being here! I really appreciate everyone taking the time to be here: these meetings are very informative and having everyone here, able to bring comments and thoughts is very appreciated. It has been a pleasure to work with everyone!

**Words from Their Royal Excellencies:** Looking forward to working with everyone! Thank you to Their Highnesses! We will be encouraging everyone to attend next curia, especially all potential combatants in Coronet. Our society runs on the backs of volunteers. That goes unacknowledged sometimes, both by populace and by some of the structures that exist. So a big thank you to everyone who keeps things running.

### **Approval of minutes from October Curia:**

moved: Maminka

seconded: Saif

### **Officer Reports:**

**Seneschal:** Viscount Sir Kheron

Received 100% reporting from all branches. Thank you to all Branch Seneschals. There have been a few Seneschal change overs: Hartwood, Thornwold, Cold Keep, Krakafjord (currently in progress).

My term expires March 2023. I am applying for a 1 year extension.

**Calendar Deputy:** HL Ciannit – absent

**Events deputy:** Dame Elena de Maisnilwarin

#### **2023 Events**

- February Investiture: event host is Lionsdale
- Admin Training: no bid; note that this event has been held only once and does not appear in the revised Tir Righ Laws. There was no reply to my October 29th email asking whether the event was something that Tir Righ wished to pursue.
- June Coronet: event awarded to Coill Mhor
- August Investiture: event awarded to Hartwood and Seagirt joint bid
- A&S and Bardic: inquiries received from Ramsgaard and Lions Gate (not from branch seneschals), but no bids received
- November Coronet: no bids received; Lionsdale indicated they would bid and

Krakafjord expressed an interest. I have approached Lions Gate to see if they would be interested.

#### 2024 Events

- No event bids received.

**Scribal:** Dama Maminka – 100% reporting! Even if they don't have an officer in their branch, they still probably have folks doing scribal. Beautiful letter amalgamating the Keeper of the Seal into the principality scribal officer job. This is what Kingdom did, and makes sense to have them

combined. Working on classes, 48-hour competition running as we speak. Scribal going fabulously!

**Keeper of the Seal:** Dame Morweena – Lots of seals, report will be part of Maminka’s report.

**TUTR Governor:** Madame Jaqueline Lefleur – not present

**Webminister:** HL Jacomina – not present – will be requesting a 1 year extension to train a replacement

**Event Reports:**

Last Nov Coronet: report? Received, but trying to track down cheque.

February Investiture: more than one ready room space. No kitchen rented, no on site food. Lots of nearby food. Rapier happening. Coffee and tea happening. Dogs? Will check. Likely only service dogs.

June Coronet – Coill Mhor. Cabins. Her Highness says thank you to Kheron and Lenora and whoever helped put the cabin reservation system into play. Very much appreciated. Royal Excellency – seconds what Her Highness said re thanks.

August Investiture: Hartwood/Seagirt. Any updates? HL Elphin is the event steward, seems to be running smoothly. More reports next curia. Any equestrian? Site is capable, but not sure if we’re planning any equestrian activities.

**Old Business:**

Zoom ??

Calendar: Premier Events System draft policy made by Morweena. Needs to get looked at, etc. Should be in place by 2024.

Dates of officers on websites. Morweena mentions that folks have not been answering emails.

Regalia - update inventory – work in progress. There can be an online form for signing out/signing in regalia. Can take care of sign over at the event. Rental agreement protects assets in case of emergency. Can we get a note in event schedules about regalia transfer happening, so that this process/requirement is visible to everyone attending?

Silver Lyre: no updates – need to update that by next curia. Kingdom does not have things in place for transfer of ownership of the mold. Need to draft a paperwork to make transfer of mold, perhaps in invoicing process? Could make it part of bid process, or included in email process, then we have it in official communication.

Equestrian championship – keep on business. Hopefully can showcase something at August Investiture

Travel Thrones – no update currently.

Keep working on increased communication to branches.

TUTR

Kneeling cushion? Ideally for June coronet.

New mold: Silver Wolf, Silver Heron. Wolf is not yet heraldically passed. Heron has just passed so new bid out? Viscountess Lishinia put out advertising. Also more silicone for Spear and Lily.

Handbooks: need to make those happen.

Officer reports: Greater Officers reports overdue now – only one of eight received. Only one of eight in the meeting.....aside from Exchequer & Seneschal

Grand TUTR including robust officer training – maybe in April. Her Highness will put in a bid. Elena: officer training used to run every other year, alternately with heraldic symposium. First weekend in April.

Royal Excellency: seeking info on: February Investiture date wasn't originally Family Day. Kingdom Rapier champion tournament has moved. Looking for populace input re: Family Day, should date change, etc.

Champions: fundraising for travel.

Travelling to large events – Pennsic? No funding for travel that far afield. Clinton and/or Lions War at that time. Argyle plans to attend that.

Champions getting emails.

Elsbeth Farre – print outs of awards for info things. Royal Excellency Argyle also instigating. Argyle requests approval for reimbursement of printing costs. Send Greta receipts.

**New Business:**

11:53 am - meeting closed

Move to close: Saif

Second Maminka.
