## From the Editor's Desk

Greetings Readers!

As I'm sure you are all recovering from June Coronet, and prepping for the remainder of summer fun, I bring you much news from East of the principality and travel planning guides for your future large events.

**Would you like to hand out physical copies of the Principality Newsletter?** Are you a Chatelaine in a branch that doesn't have its own regular newsletter? Are you in a less centralized area and want to recruit your pals to join this lovely principality? Email me chronicler at [chronicler\[@\]TirRigh\[.\]org](mailto:chronicler[@]TirRigh[.]org). Let me know how many copies you would like, of which editions from this year, and your postal code and address. I will have them printed and shipped to you for dissemination.

**I am seeking a deputy!!** As deputy I would task you with reading over this fine publication before it is public for all, and to fill its pages with appropriate materials. We would also collaborate on meeting minutes for our Quarterly Curia's and be accountability buddies for all other chronicling related activities. Never held office before? Neither had I! Together we can do anything so do not be afraid. Our predecessors left us with many tools and outlines for our success.

**Is there something you would like to advertise?** A project you've worked on that you would like to proudly show the entire principality populace and all those outside of it? Send me documentation, explanations, and photos (anything!) of your project and it will be published in the next newsletter.  
[chronicler\[@\]TirRigh\[.\]org](mailto:chronicler[@]TirRigh[.]org)

Those of you who attended Quad War, it was such a pleasure. I missed your faces! Those of you I haven't seen yet, I miss your faces too! I dream of seeing you soon.

With Joy in Service,  
Herrin Kunigunde Die Jungen

## **Greetings from Quad War and Avacal 10 Year Annioersary**

'Twas ten summers past, upon the twenty and eighth day of June, that our noble cousins of Avacal, erstwhile our neighbouring Principality, did sunder their bonds and rise as a Kingdom sovereign. Upon this hallowed anniversary, their famed Quad War was stretched to span a fortnight. This humble Chronicler did bear witness, with steadfast heart, trusting she would find herself amidst good folk of Tir Righ. I came under cloak of night, and by good fortune did raise my tent beside Dalibor the Green and his gracious Lady Wife, Fionnulahg. As the stars would decree, I was set squarely in the heart of Tir Righ's encampment. Ere long, I was flanked by Their Excellencies of Seagirt and Lions Gate. I did pass time within the yurt of the newly elevated Master Sir Neregui, and shared mirth and discourse with Viscountess Bernadette. I rose to glory as a Helga Ball champion, cheered on by Bantiarna Sadhbh bheag inghean Toirrdhealbhaigh and the stalwart Kingdom Protector of An Tir, Dreka Thoreson. I served in the Wench Wars, and placed a mighty 3<sup>rd</sup> of five noble wenchies. A time most beloved was shared by all, and a vision of Tir Righ's bright future was glimpsed. Upon the next leaf thou shalt find likenesses taken by Lady Sadhbh, and shown here with her leave. (Aye, that be I in the scarlet gown, licking goat horn post Wench Wars.)

[left to right top to bottom] Lady Jocelyn of Montengarde, Herrin Kunigunde Die Jungen, Bartholomew The Goat, Lady Cynnica McTire, Lady Freydis, and newest wench war title holder: Lord Tommasso

# Are You Travelling This Summer?

Contained in the next few pages are the wise works of one Bronwynn Mairi, aka Brownie, aka WynndSinger, aka Bronwynn the Travelling, aka a Friend to All

With her kindness and grace she has shared this document as a beginners guide for how to plan for an event you need to travel to. As many and more events begin to take place upon the lands of Insula Magna, and as more Islanders travel to the Mainland for events, This publisher thought it wise to share the type of knowledge and organization that we all need from time to time. But especially for those new Scadians who maybe haven't had to travel for a camping event before, or for an SCA event at all.

This is only a small taste of a thorough 18 page booklet, that would help even the most bird-brained of our friends, to ensure they don't miss out on a single item while planning their summer Travels.

I have the original document, and so if you would like a copy of the PDF you may reach out to me, or you may reach out to Brownie Mairi directly

# Translated from the Ancient Scrolls of Astrologers

## **Aries (The Ramme)**

Hark! Thou art charging forth like a knight with a sugar rush. But beware, for not every windmill is a dragon. This fortnight, temper thy fire lest thou roast thine own plans. Also, stop ghosting thy chores, noble procrastinator.

## **Taurus (The Bullock)**

Thy stubbornness could halt a siege engine. Yet, thy loyalty is unmatched. This week, coin may jingle in thy pouch, but beware of spending it all on scented candles and cheese wheels. A mysterious stranger may flatter thee—check their teeth.

## **Gemini (The Twinfolk)**

Thou speaketh in riddles and memes. Thy wit is sharper than a rogue's dagger, but beware of gossip—it may return like a cursed pigeon. A scroll from an old flame may arrive. Burn it or frame it, the stars care not.

## **Cancer (The Crabbe)**

Oh tender-hearted moonchild, thou weepeth at sunsets and soup. This week, thy emotions may surge like a tavern brawl. Seek comfort in thy cozy nook, but do not ignore the knock at thy door—it may be opportunity (or a tax collector).

## **Leo (The Regal Lion)**

Thou art the main character, and verily, we are but extras in thy tale. This week, thy mane shall shine and thy confidence shall slay. But beware, for pride goeth before a fall—and also before a regrettable haircut.

## **Virgo (The Quillmaster)**

Thy lists have lists, and thy scrolls are alphabetized. This week, chaos shall tempt thee—resist the urge to alphabetize the pantry of fate. A friend may need thy wisdom; lend thy ear, not thy judgment.

## **Libra (The Balancer of All Things)**

Thou art torn betwixt choices like a bard choosing between two taverns. This week, the stars say: picketh one and commit, lest thou end up with naught but regret and lukewarm ale. Romance brews—stir it gently.

## **Scorpio (The Brooding Alchemist)**

Thy gaze pierceth souls and thy secrets are buried deeper than a dragon's hoard. This week, thy intuition is strong—trust it, but don't hex thy neighbor just yet. A revelation cometh, and it may shake thy boots.

## **Sagittarius (The Wandering Arrow)**

Thou art galloping toward adventure with nary a map nor a care. This week, travel beckons—even if it's just to the next village (or aisle). Beware of overpromising, lest thou be caught juggling flaming torches and feelings.

## **Capricorn (The Mountain Goat of Ambition)**

Thou climbeth the ladder of success like a squirrel on espresso. This week, pause and admire thy progress. A rival may challenge thee—smite them with spreadsheets and grace. Also, hydrate, thou crusty overachiever.

## **Aquarius (The Eccentric Water-Bearer)**

Thou art a walking paradox, a philosopher in fishnet stockings. This week, thy ideas may seem mad—but mad like a fox. Share thy vision, but beware of speaking in riddles at the town meeting. Not everyone speaketh “weird.”

## **Pisces (The Dreamy Minnow)**

Thou floateth through life like a lute melody in the wind. This week, dreams may whisper truths—heed them, but don't quit thy job to become a full-time cloud-watcher. Love may knock—answer not in pajamas
