### **Events**

With the recent Wildfire, Tir Righ successfully moved the Arts & Sciences- Bardic Championships into Nov Coronet. This included some presentations done online as well as in person at the event.

\*\* Current 'accepted' bid will not be asked to move to a 2-day format.

Event Considerations to think about:

- Tir Righ Law states that Nov Coronet and Feb Investiture are 2-day events.
- We got away from this after Covid
- Should we look at blending some events together?
- Arts & Sciences Champion / Bardic Champion / Heraldic Symposium
- Possibilities - Add A&S to February Bardic to November

Benefits

- More activities for more folks!
- Less dates on the Calander
- following our own 2-day event law
- 2-day events are mor "kingdom" like - Prince Magnus
